

Expand LinkWall

The Expand LinkWall allows for the ultimate in flexibility to meet the needs of your event space. Simply change the shape by bending it to fit your location. The size is changed by adding or removing panels.

This flexible display system includes Expand LinkWall units (banner stand type of products) with flexible panels in between, connected with a patented magnetic solution. The flexible panel has a rubber profile that enables you to change the shape of your display. Combine as many as you like to create your own Expand LinkWall.
